Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Thursday 29 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunshine and showers by day - dry and chilly nights.

This Evening and Tonight:
Showers gradually ease into the night as the day's cloud starts to breaks up, creating clear spells for a time. Cloud returns through the early hours and a few showers develop before dawn. A chilly night, with potential rural frost. Minimum temperature 0 deg C (32 deg F).

Friday:
Patchy cloud, scattered showers and sunny spells through the day. The showers may sometimes be heavy and contain hail. Feeling cold and turning dry again overnight. Maximum temperature 12 deg C (54 deg F).

Outlook for Saturday to Monday:
Sunshine and showers by day over the weekend, with dry and chilly nights. Heavy rain and strong winds arrive from the west on Monday. Nights turning warmer.
